

Avante®

A distinguished tradition

1950

“Avante” means to advance and was founded by Nicolás Paul Rauda who started his business preparing homemade chipotle peppers and sauces.

Introduced his products to friends and then began selling them at convenient stores.

For several years the brand was commercialized in Córdoba, Veracruz and its surroundings.

Actualmente

Avante Gourmet S.A. de C.V. continues to be the leading brand in hot sauces in the region and has preserved its distinctive traditional flavor.

It has presence in several states nationwide and in the United States.
