

		COMMERCIAL TECHNIQUE	
BRAND:		CAFE ANDRADE	
PRODUCT	CAFE ANDRADE GOURMET	CIENFICIENTIFIC NAME:	COFFEA ARABICA
DESCRIPTION DU PRODUIT		IMAGE DU PRODUIT	
<p>Our coffee is characterized by its high quality, taste, smell and aroma. It is grown exclusively on our farm which has a microclimate that provides optimal conditions for growing coffee.</p> <p>At "Cafe Andrade" we have standardized quality processes throughout the coffee industry, starting from the seeds and harvest, to the selection of the cherries, its roasting and packaging.</p> <p>Our coffee beans comply with +85 points determined by the Specialty Coffee Association of America (SCAA), which is evaluated by certified Q Graders throughout the world.</p> <p>Our production system is vertical, meaning that we grow, produce, process, select, evaluate, roast and package our own coffee beans without intermediaries; thus controlling all aspects of the production chain</p>
